

## SHAKIRA She Wolf Album Lyrics

### 1. She Wolf

Lyrics: Shakira/ Music Shakira, J. Hill, S. Endicott

SOS she's in disguise  
SOS she's in disguise  
there's a she wolf in disguise  
coming out coming out coming out

A domesticated girl that's all you ask of me  
Darling it is no joke this is lycanthropy  
The moon's awake now with eyes wide open  
My body's craving so feed the hungry

I've been devoting myself to you Monday to Monday and  
Friday to Friday  
Not getting enough retribution or decent incentives to keep  
me at it  
I'm starting to feel just a little abused like a coffee machine  
in an office  
So I'm gonna go somewhere cozy to get me a lover and  
tell you all about it

#### CHORUS

There's a she wolf in the closet  
Open up and set her free  
There's a she wolf in the closet  
Let it out so it can breathe

Sitting across a bar staring right at her prey  
It's going well so far she's gonna get her way  
Nocturnal creatures are not so prudent  
The moon's my teacher and I'm her student

To locate the single man I got on me a special radar  
And the fire department hotline in case I get in trouble later  
Not looking for cute little divos or rich city guys I just want  
to enjoy  
By having a very good time and behave very bad in the  
arms of a boy

#### CHORUS

There's a she wolf in the closet  
Open up and set her free  
There's a she wolf in the closet  
Let it out so it can breathe

SOS she's in disguise  
SOS she's in disguise  
There's a she wolf in disguise  
Coming out Coming out Coming out

SOS she's in disguise  
SOS she's in disguise  
There's a she wolf in disguise  
Coming out Coming out Coming out

There's a she wolf in the closet,  
Let it out so it can breathe

### 2. Did It Again

Lyrics/Music: Shakira, P. Williams

First Floor, Room 16, smells like danger (let's go),  
even better (let's go),  
Set your goals , bless our souls  
I'm in trouble (yes I know), but it feels like heaven

You were like one of those guys  
The kind with a wandering eyes  
But I said hey what the hell, once in my life i'll take a ride  
on the wild side

You were so full of yourself  
But damn were you cute as well  
You liked my legs, I liked your moves  
Anyone could tell not hard to deny that

#### CHORUS

I did it again now I got it all wrong  
But it felt so right I can't believe it  
And all the mistakes that went on for too long  
Wish there was a way I could delete them

Second night, in a row, I'm back in trouble (let's go),  
I don't get it (let's go)  
Gotta keep it down, 'cause the lobby called  
But we ignore them (yes I know), 'cause it's getting better

When it comes to men it's known  
That I end up choosing wrong  
'Cause I always trip and fall on  
the same old rock and repeat and go back

How blind a girl can be  
To miss you hide your ring  
Lied about everything I'm so naive  
And I should have known that

#### CHORUS

I did it again now I got it all wrong  
But it felt so right I can't believe it  
And all the mistakes that went on for too long  
Wish there was a way I could delete them

It may seem to you that I am in a place  
Where I'm losing the direction of my life  
But I'm sure that this is nothing but a phase  
Right back at ya, 'cause I'll survive

It may seem to you that I am in a place  
Where I'm losing the direction of my life  
But I'm sure that this is nothing but a phase  
Right back at ya, 'cause I'll survive

Did it again I got it all wrong  
But it felt so right I can't believe it  
And all the mistakes that went on for too long  
Wish there was a way I could delete them

Did it again now I got it all wrong...

### 3. Long Time

Lyrics/Music: Shakira, P. Williams

Hold me  
Show me all the talent God has given you  
I want us thinking outside the box (all night long)  
Just keep on going

You've done good things for me  
Though I'm not an easy girl to please  
I'll never run out of faith in you (all night long)  
Just keep on going

#### CHORUS

Long time long time That's the way I've loved you baby  
Long night it's been a long night  
I'm breaking the record, told ya

Long time long time The minutes are eternal lately  
Long night it's been a long night  
Can't wait to touch you, touch you

I wish I had longer legs  
That I could fasten to your body so you'd take me with you  
everywhere  
And when you think I can take no more (all night long)  
Just keep on going

If I let you have your way don't think I'm weak  
You got the stamina and the technique  
So let those eloquent hands of yours (all night long)  
Just keep on going

#### CHORUS

Long time long time  
That's the way I've loved you baby  
Long night it's been a long night  
I'm breaking the record, told ya

Long time long time  
The minutes are eternal lately  
Long night it's been a long night  
Can't wait to touch you, touch you

This thing we've got's so rare  
It's so good it's not even fair  
So how could anything compare  
To your way, no way

How can you do me so much good  
I'm so happy I should get sued  
But nothing matters next to you  
No way, no way

#### CHORUS

Long time long time  
That's the way I've loved you baby  
Long night it's been a long night  
I'm breaking the record, told ya

Long time long time  
The minutes are eternal lately  
Long night it's been a long night  
Can't wait to touch you, touch you

### 4. Why Wait

Lyrics/Music: Shakira, P. Williams

Put your trust in me I won't let you down  
Don't delay the things That you want right now

Why wait for later  
Hey don't you want some action  
I'm not a waiter I like to make things happen  
Something's coming on coming on strong  
don't take too long  
don't you wanna know  
Baby come home

#### CHORUS

One more night with you And I won't think it through  
Time's money, thought you knew  
There's nothing in the world you can think of that I won't  
do to you.

Drowning in your sweat Till I drench my clothes  
You've seen nothing yet Wait till you let go.

Why wait for later  
Obey my intuition  
We're gonna be just fine  
I've got a premonition  
Something's coming on, coming on strong  
don't take too long don't you wanna know  
Baby come home

#### CHORUS

One more night with you And I won't think it through  
Time's money, thought you knew  
There's nothing in the world you can think of that I won't  
do to you.

I'm gonna dance through the veil of your eyes  
While you follow my steps in the sand  
I see our fate in the palm of your hand.

No one looks, no one hears us this time  
It's only me and your conscious tonight  
If there are no witnesses there is no crime

Why wait for later  
I'm not a waiter.  
Something's coming on, coming on strong  
don't take too long  
don't you wanna know  
Baby come home.

#### CHORUS

One more night with you And I won't think it through  
Time's money, thought you knew  
There's nothing in the world you can think of that I won't  
do to you.

One more night with you And I won't think it through  
Time's money, thought you knew  
There's nothing in the world you can think of that I won't  
do to you.

## 5. Good Stuff

Lyrics/Music: Shakira, P. Williams

Tell me all your wishes  
I am here to make them true, don't wonder  
You don't have to rub a lamp  
'Cause I'll take care of you

Nobody knows, nobody knows  
Nobody knows, nobody knows

Tell me what you think I'm one of your kind  
You know a girl like me is difficult to find  
I bet you've never seen nothing like this before  
I bet you've never met someone who loved you more

You know that I'm a witch and I can read your mind boy  
Where do I have to sign I'm on board

### CHORUS

My new resolution is to trust you  
My business to love you until you've had it  
I'm not gonna miss out on the good stuff  
The grass is much greener with us on it

Better than to sail on the Mediterranean Sea  
Better than to get a fancy Gucci dress for free

Don't think it over Think it over  
Don't think it over Think it over

Totally up to you what you do with me  
I'm gonna make it up to us and you will see  
Don't have to prove it, it is written in your eyes  
Tonight you'll be the winner I will be the prize

You know that I'm a witch and I can read your mind boy  
Where do I have to sign I'm on board

### CHORUS

My new resolution is to trust you  
My business to love you until you've had it  
I'm not gonna miss out on the good stuff  
The grass is much greener with us on it

Watch my body get lower As low as it can go  
All the boys will follow  
I'll show you something you don't know

Watch my body get lower As low as it can go  
All the boys will follow  
I'll show you something you don't know

'Cause I know what you want  
And I like that

My new resolution is to trust you  
My business to love you until you've had it  
I'm not gonna miss out on the good stuff  
The grass is much greener with us on it

### CHORUS

My new resolution is to trust you  
My business to love you until you've had it  
I'm not gonna miss out on the good stuff  
The grass is much greener with us on it

## 6. Men In This Town

Lyrics: Shakira/ Music Shakira, J. Hill, S. Endicott

Is there a prince in this fable  
For a small town girl like me?  
The good ones are gone or not able...  
and Matt Damon's not meant for me  
Damon's not meant for me -->(Damn it!) :)

I got to say California Is a place that I respect

Come on LA, take advantage  
Give me a night that I won't forget

I went to look  
From the Sky Bar to the Standard, nothing took  
These boys don't care  
Got a handful with their projects and with their looks

### CHORUS

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming round, coming round?

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming round, coming round?

### Fresh

I'm so fresh, I'm so clean Got the lips and got the skin  
Got the skin got that thing I'm so fresh and I'm so...

Is there a prince in this fable  
For a small town girl like me?  
The good ones are gone or not able...  
and Matt Damon's not meant for me -->Damn it again!

I never dreamed that I'd come here to become the next  
Jolie  
But I sure know there's someone, around somewhere  
who's meant to be

### CHORUS

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming round, coming round?

Where are all the men in this town?  
And what's a girl supposed to do?  
Did they all run off when they knew  
That I was coming round, coming round?

### Fresh

I'm so fresh, I'm so clean Got the lips and got the skin  
Got the skin got that thing I'm so fresh and I'm so...

### Fresh

I'm so fresh, I'm so clean Got the lips and got the skin  
Got the skin got that thing I'm so fresh and I'm so...

So they say  
It's a suicide, waiting, others say  
It's a suicide, waiting, yo no se  
It's a suicide, waiting, another day

>>>

It's a suicide, waiting

So decide, it's a suicide waiting, all this time  
it's a suicide waiting, donde estas?  
it's a suicide waiting, so decide  
it's a suicide waiting

(gibberish).

## 7. Gypsy

A. Ghost, Shakira, I. Dench, C. Struken, E. Rogers

Broke my heart on the road  
Spend the weekends sewing the pieces back on  
Crayons and dolls pass me by  
Walking gets too boring when you learn how to fly

Not the homecoming kind  
Take the top off and who knows what you might find  
Won't confess all my sins  
You can bet all trying but you can't always win

### CHORUS

'Cause I'm a gypsy are you coming with me?  
I might steal your clothes and wear them if they fit me  
Never made agreements Just like a gypsy  
And I won't back down 'cause life's already bit me  
And I won't cry I'm too young to die if you're gonna quit me  
'Cause I'm a gypsy

I can't hide what I've done  
Scars remind me of just how far that I've come  
To whom it may concern  
Only run with scissors when you want to get hurt

### CHORUS

'Cause I'm a gypsy are you coming with me?  
I might steal your clothes and wear them if they fit me  
I don't make agreements just like a gypsy  
And I won't back down 'cause life's already bit me  
And I won't cry I'm too young to die if you're gonna quit me  
'Cause I'm a gypsy

And I say  
Hey you're no fool if you say no  
Ain't it just the way life goes  
People fear what they don't know  
Come along for the ride  
Come along for the ride

### CHORUS

'Cause I'm a gypsy are you coming with me?  
I might steal your clothes and wear them if they fit me  
Never make agreements just like a gypsy  
And I won't back down 'cause life's already bit me  
And I won't cry I'm too young to die if you're gonna quit me  
'Cause I'm a gypsy

## 8. Spy (Feat. Wyclef Jean)

Shakira, W. Jean

Slow motion  
Blinds are see through  
Let your mind go  
Imagine that I kiss you

Turn off the lights and open up your eyes now  
You can take a glimpse into my soul for tonight

Do you got the heat off girl? Yes I do  
Can you turn up the temperature? You bet I could  
Colombian with a swagger. Yes I am  
Whatever it takes to make this thing work we gonna  
Whatever it takes to make this thing work we gonna

### CHORUS

There's a spy by my window  
I know it's you  
You like to keep an eye on me  
I know you like to keep an eye on me  
There's a spy by my window  
I know it's you  
Won't you like to keep an eye on me  
I know you like to keep an eye on me  
Keep an eye on me  
But if you want it got to let it be

I know you  
Dream about me  
And it turns me on to think about it  
This is the finest game  
It ain't even got a name  
I just wanna see how far it takes us tonight

Do you got the music on girl? Yes I do  
Can you get a little closer? You bet I could  
Colombian with a swagger. Yes I am  
Whatever it takes to make this thing work we gonna  
Whatever it takes to make this thing work we gonna  
Whatever it takes to make this thing work we gonna

### CHORUS

There's a spy by my window  
I know it's you  
You like to keep an eye on me  
I know you like to keep an eye on me  
There's a spy by my window  
I know it's you  
Won't you like to keep an eye on me  
I know you like to keep an eye on me  
Keep an eye on me  
But if you want it got to let it be

When the dog's away that's when the cat's play  
You'll be my girl, I'll be the spy  
Like the James Bond flick girl I'm ready to ride

When the cat's away that's when the mouse play  
You'll be my girl, I'll be the spy  
Like the James Bond flick girl I'm ready to die, die die

### CHORUS

There's a spy by my window  
I know it's you  
You like to keep an eye on me

>>>

I know you like to keep an eye on me  
There's a spy by my window  
I know it's you  
Won't you like to keep an eye on me  
I know you like to keep an eye on me  
Keep an eye on me  
But if you want it got to let it be

Lipstick's on  
Stockings up  
Skirt's short  
Heels are high  
Take your time  
Buckle up

Close your eyes and enjoy the ride  
Close your eyes and enjoy the ride  
Close your eyes ...  
Close your eyes and enjoy the ride

### 9. Mon Amour

Shakira, A. Menendez

I think you are living in denial  
Oh can't you see she's pretty wild?  
And every night I pray that you don't knock her up  
'Cause I still want to be the mother of your child

They say l'amour est né à Paris  
So she's planned a little trip to France  
While she's in anxious anticipation  
I really hope you have a horrible vacation

And so you think of me when you arrive.  
Hope the French fleas eat you both alive  
And your room smells  
And the toilet doesn't flush  
And locals treat you mean  
And the service takes too long

'Cause I'm fragile and you broke my heart in two  
But you just smile  
Like it's all the same to you, to you

#### CHORUS

But when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell  
Mon amour

And when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell  
Mon amour

Where did you get the ability?  
To make fakes promises to me  
You are exactly like A politician

Need everyone's approval just to see if you are doing right.

And I hope you both freeze under the Eiffel tower  
So you end up throwing in the towel

Hope you'll miss me  
And someday you're gonna see  
That I put my trust in you  
But you turned you back to me.  
'Cause I'm fragile and you broke my heart in two  
But you just smile  
Like it's all the same to you, to you

#### CHORUS

But when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell  
Mon amour

And when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell  
Mon amour

#### CHORUS

But when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell  
Mon amour

And when you learn your lesson  
Come back like a prodigal son  
Read the big sign at the airport  
Bienvenue from Hell  
Mon amour

Passengers with destination  
Passengers with destination  
Passengers with destination to Hell  
Please proceed to your gate, we are ready to board now

## 10. Lo Hecho Está Hecho

Lyrics Shakira, J Drexler/ Music Shakira, P. Williams

En la suite 16  
Lo que empieza no termina  
Del mini bar al eden  
Y en muy mala compañía

Era ese sabor en tu piel  
A azufre revuelto con miel  
Así que me llene de coraje y me fui a caminar por el lado salvaje

Pense "no me mires así"  
Ya se lo que quieres de mí  
Que no hay que ser vidente aquí  
Para un mal como tu no hay cuerpo que aguante

CORO  
Lo hecho esta hecho  
Volvi a tropezar con la misma piedra que hubo siempre  
Se siente tan bien todo lo que hace mal  
Y contigo nunca es suficiente

Como fue  
Que paso  
Esa noche  
Impaciente

Fueron a llamar  
La de recepción  
Cuando se quejaban de la 17

No puede ser nada normal  
Acabar eligiendo tan mal  
En materia de hombres soy toda una experta siempre en repetir mis errores  
No hay ceguera peor

Que no querer mirar  
Cuando te guardabas el anillo dentro del bolsillo y dejarlo pasar

CORO  
Lo hecho esta hecho  
Volvi a tropezar con la misma piedra que hubo siempre  
Se siente tan bien todo lo que hace mal  
Y contigo nunca es suficiente

Nunca me senti tan fuera de lugar  
Nunca tanto se escapo de mi control  
Pero todo en este mundo es temporal  
Lo eres tu y lo soy yo

Nunca me senti tan fuera de lugar  
Nunca tanto se escapo de mi control  
Pero todo en este mundo es temporal  
Lo eres tu y lo soy yo  
En eso no decido yo

Lo hecho esta hecho  
Volvi a tropezar con la misma piedra que hubo siempre  
Se siente tan bien todo lo que hace mal  
Y contigo nunca es suficiente

Se siente tan bien todo lo que hace mal

## 11. Años Luz

Lyrics Shakira, J Drexler/ Music Shakira, P. Williams

Ven confía en mi  
No hay porque dejar  
Para hacer después  
Lo que quieras ya

Es el instinto  
Deja que te sacuda  
El cielo es de los que creen  
Y no de los que dudan  
Soy un volcán  
En erupción  
Entra en razón  
Que suba el telón  
Cámara, acción

CORO  
Esperar  
Es un mar  
Que aún no sé  
Navegar  
No te quedas  
Años luz  
Ya estoy decidida  
y quiero saber si lo estás tú

Ven confía en mi  
No hay margen de error  
Deja que en mi piel  
Brille tu sudor

¿Qué es lo que esperas?  
Ya casi es madrugada  
Mi cremallera  
No está electrificada  
No me tengas más consideración  
Entra en razón  
Que suba el telón  
Cámara, acción

CORO  
Esperar  
Es un mar  
Que aún no sé  
Navegar  
No te quedas  
Años luz  
Ya estoy decidida  
y quiero saber si lo estás tú

Subiré por tu espalda la seda  
Como en el muro la enredadera  
Cuando se besen la luna y la arena  
Nadie nos mira esta noche es nuestra  
No habrá testigos no habrá evidencia  
Somos solamente yo y tu conciencia

¿Qué es lo que esperas?  
¿Qué es lo que esperas?  
No me tengas mas consideración  
Entra en razón  
Que suba el telón  
cámara, acción

CORO  
Esperar  
Es un mar  
Que aún no sé  
Navegar  
No te quedas  
Años luz  
Ya estoy decidida  
Y quiero saber si lo estás

Esperar  
Es un mar  
Que aún no sé  
Navegar  
No te quedas  
Años luz  
Ya estoy decidida  
Y quiero saber si lo estás  
Tú

## 12. Loba

Lyrics: Shakira, J. Drexler/ Music Shakira, J. Hill, S. Endicott

Sigilosa al pasar  
Sigilosa al pasar  
Esa loba es especial  
Mírala, caminar, caminar

Quién no ha querido a una diosa licántropa  
En el ardor de una noche romántica, mis aullidos son el llamado, yo quiero un lobo domesticado

Por fin he encontrado un remedio infalible que borre del todo la culpa  
No pienso quedarme a tu lado mirando la tele y oyendo disculpas  
la vida me ha dado un hambre voraz y tu apenas me das caramelos  
Me voy con mis piernas y mi juventud por ahí aunque te maten los celos

CORO  
Una loba en el armario  
Tiene ganas de salir  
Deja que se coma el barrio  
Antes de irte a dormir

Tengo tacones de aguja magnética  
Para dejar a la manada frenética  
La luna llena como una fruta  
No da consejos ni los escucha

Llevo conmigo un radar especial para localizar solteros  
Si acaso me meto en aprietos también llevo el número de los bomberos  
ni tipos muy lindos ni divos ni niños ricos yo sé lo que quiero  
pasarla muy bien y portarme muy mal en los brazos de algún caballero

CORO  
Una loba en el armario  
Tiene ganas de salir  
Deja que se coma el barrio  
Antes de irte a dormir

Cuando son casi la una la loba en celo saluda a la luna  
Duda si andar por la calle o entrar en un bar a probar fortuna  
Ya está sentada en su mesa y pone la mira en su próxima presa  
Pobre del desprevenido que no se esperaba una de esas

Sigilosa al pasar  
Sigilosa al pasar  
Esa loba es especial  
Mírala caminar, caminar

Deja que se coma el barrio  
Antes de irte a dormir
